Hip History The Tie Dye Story

Opened in 2006 by Shayne and Jan Dye, this colorful little dive has made quite a name for itself with big sandwiches and even bigger flavor. USA Today has ranked us a top 10 Breaded Pork Tenderloin in the state, a sandwich that has also been featured on The Cooking Channel. In 2013, the Dyes handed down the reins to the restaurant to long time employees (and son and daughter-in-law) Chad and Shannon Stearns. We have continued the tradition of bringing the same flair for flavor and desire to share our passion with you. Each and every order is made with peace, love and locally sourced ingredients. We also make small batches, often daily, so be sure to get there early so you don't miss out on your favorite foods. Eat and shop, mom and pop ❤️
